A workbook explaining self awareness and life lessons to the child or youth with high functioning autism or aspergers

Faherty, Catherine.

### **At home with autism: Three families' stories**

Stories by Danielle Morse, Viki Gayhardt, R. Stuart

### **Attainment's breakthroughs:**

#### **How to reach students with autism**

A hands-on, how-to manual for teachers

Sewell, Karen.

VIDEO

### **Attainment's breakthroughs:**

#### **How to reach students with autism**

Karen Sewell, a special education teacher for 20 years, displays her experience in dealing with autistic children by working successfully with a 3-year-old-girl.

DVD

### **Autism and me**

A privileged glimpse into the world of Rory Hoy, an 18-year-old filmmaker with autism, letting us take a journey through his everyday experience and see it through his eyes.

Hoy, Rory

VIDEO

### **Autism & the new law: Resources for treatment:**

#### **Hope for a cure**

Executive producer, Grace M. Hanlon

Designed to help parents, educators and health care professionals better understand autism or similar diagnosis such as Pervasive Developmental Disorder (PDD) and Asperger's Syndrome. Learn about components of The Advancement of Pediatric Autism Research Act, a subtitle of the Children's Health Act of 2000. This law was passed to find more effective treatments and even a cure for autism.

### **Autism: A comprehensive occupational therapy approach**

Heather Miller-Kuhaneck, editor.

### **Autism: Information and resources for professionals and parents**

Richard L. Simpson and Paul Zions

### **Autism and the myth of the person alone**

[edited] by Douglas Biklen, with Richard Attfield ,et al.

### **Autism Aspergers: Solving the relationship puzzle**

A new developmental program that opens the door to a life long social and emotional growth

Gutstein, Steven E.

### **The autism encyclopedia**

Edited by John T. Neisworth and Pamela S. Wolfe.

DVD

### **Autism is a world**

Aco-production of CNN Productions and State of the Art, Inc. Sue Rubin is autistic and was diagnosed and treated as mentally retarded until the age of 13, when she began using a keyboard. This documentary takes the viewer on a journey into her mind, her daily world, and her life with autism.

### **Autism spectrum disorders: Interventions and treatments for children and youth**

Simpson, Richard L.

### **Autism spectrum disorders: The complete guide to understanding autism, Asperger syndrome, pervasive developmental disorder and other ASDs**

Sicile-Kira, Cha

DVD

### **Autism spectrum disorders & the SCERTS model: A comprehensive educational approach**

“SCERTS” refers to the core components of the model: Social Communication (SC), Emotional Regulation (ER), and Transactional Supports (TS). This multidisciplinary, research-based model was developed by a multidisciplinary team including Barry Prizant, Amy Wetherby, Emily Rubin, Amy Laurent and Patrick Rydell. This video series provides an overview of the SCERTS model and demonstrates its application in classroom, community, and home environments for children in early intervention through the primary school grades.

### **Autism Spectrum disorders and visual impairment: Meeting students’ learning needs**

Gense, Marilyn

### **Autism spectrum disorders :**

#### **A transactional developmental perspective**

Edited by Amy M. Wetherby and Barry M. Prizant

### **Autism through a sister’s eyes:**

#### **A young girl’s view of her brother’s autism**

Band, Eve

### **Autism through the lifespan : The Eden model**

Holmes, David L., Ed.D.

REFERENCE

### **Autism: Caring for children with autism spectrum disorders : A resource toolkit for clinicians**

American Academy of Pediatrics

DVD
