

◆
People with disabilities, families, caregivers, and staff and students of the University of Iowa can borrow our materials free of charge. Corporate service providers are asked to pay a per item fee to borrow library materials, or they can purchase an annual subscription, which offers large borrower advantages.

◆
There is never a charge to anyone for assistance with finding information.

◆
Any way you approach us, **we deliver.**

Iowa's University Center for Excellence on Disabilities

We Deliver

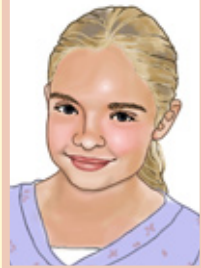

"Disability is a natural part of the human experience ..."

The Developmental Disabilities Assistance and Bill of Rights Act

◆ **A**t the Disability Resource Library our door is open to people of all ages with disabilities of all kinds. We welcome families from throughout the state of Iowa and from around the world. Care providers, educators, researchers and health specialists are invited to our library on the University of Iowa Health Care Campus to sharpen areas of expertise.

◆ **A**nd if you can't come to us, the Disability Resource Library will come to you. **We can deliver materials straight to your home or workplace.**

◆ **O**ur lending library connects people with information on a wide range of disability-related topics through the lifespan. Our materials come in a variety of formats – **books, training curricula, software, DVDs and videos.** **Spanish language** books and DVDs are available as well.

◆ **W**e have an extensive **health reference collection** in the Disability Resource Library. Our **computers** are networked with some of the most powerful, content-rich **databases** available. Consumers, parents, and clinicians rely on our resources for education and timely information. Dedicated staff also provides **research services and referrals.** These services are available to patrons at every access point – in person, by phone, or via the Internet.

◆ **C**asual visitors to the library will find a bright, user-friendly space to explore. Visitors are welcome to view the **Internet** on the DRL public terminals, browse the free information display, or just settle in with a **puzzle** or a **family video.**
