Questions? Contact UI admissions counselors, 319-335-3847, admissions-ugmail@uiowa.edu.
In addition, work with an advisor at your institution.

The best way to find out which courses transfer is to apply to Ulowa (Track Students: College of Liberal Arts & Sciences, Radiation Sciences Interest; RT to BS Students: College of Medicine, RT to BS Online), pay the $40 application fee, send your transcripts, and get an official degree audit. Once you meet the admission requirements, call admissions to change your admission start date if necessary.

Do my courses transfer?
Go to: http://admissions.uiowa.edu/future-students/transfer-students

a) For courses taken at any Iowa community college, select and follow the directions on this page:
   - Transfer Planning Resources > I-Chart Transfer Planning Resource

b) For courses at a non-Iowa community college, select:
   - Transfer Course Equivalency Guide > your Transfer Institution from the drop-down list.
   - College of Liberal Arts and Sciences from the drop-down list for “UI College.”
   - Leave these blank: “Select the curriculum area…, Transfer Department, and Transfer Course.”
   - Search. Use the instructions below to determine course equivalency.
   - Repeat for each institution attended.

How do I determine equivalency?
1. Your course (left column) should be listed as equivalent to the specific Ulowa course number or General Education category (right column) listed below.
2. Use the ‘CTRL F’ function to find things on the list quickly. Type in the information you’re searching for, i.e. “rhetoric,” “MATH,” “MATH:1340,” “Historical Perspective”.
3. Equivalent courses may not be offered at some institutions.

Prerequisite Courses:
RHET:1030 Accelerated Rhetoric: if not equivalent to RHET:1030, all 3 of these must be taken:
   - Rhetoric Writing Component 1, Rhetoric Writing Component 2, and Rhetoric Speech Component
Anatomy^: one of these:
   - ACB:3110 Principles of Human Anatomy
   - ACB:3113 Human Anatomy Online
   - HHP:1100 Human Anatomy

PSY:1001 Elementary Psychology
Math: one of these:
   - MATH:1020 Elementary Functions
   - MATH:1240 Finite Math
   - MATH:1340 Math for Business
   - MATH:1440 Math for the Biological Sciences

General Education: 3sh from 2 of the following areas:
   - Historical Perspectives (HP)
   - International and Global Issues (IGI)
   - Literary, Visual, and Performing Arts (LVPA)
   - Values, Society, and Diversity (VSD)

CLSA:3750 Medical and Technical Terminology

Radiologic Technology track and Online RT to BS degree: one of these:
   - BIOL:1140 Human Biology
   - CHEM:1070 General Chemistry I
   - CHEM:1110 Principles of Chemistry I
   - HHP:1300 Fundamentals of Human Physiology^
   - HHP:3500 Human Physiology^
   - PHYS:1400 Basic Physics
   - PHYS:1511 College Physics

Diagnostic Medical Sonography and Radiation Therapy tracks: one of these:
   - PHYS:1400 Basic Physics
   - PHYS:1511 College Physics I

^ To satisfy Anatomy and/or Physiology, it typically, but not always, requires completion of Human Anatomy & Physiology I and II at another institution. Check with Ulowa admissions.

Recommended Courses (Track degree students):
   - CS:1020 Principles of Computing or MSCI:1500 Business Computing Essentials
   - STAT:1020 Elementary Statistics or STAT:4143 Introduction to Statistical Methods
