The MR Research Center is located in Suite L169 on the lower level of the Medical Education and Research Facility (MERF Building), which is indicated in red at the top of the large campus map below. Our address is 375 Newton Rd. If you need more specific directions to our facility, either from inside the hospital or around Iowa City, please visit the “Contact Us” page on the website written above. There you will find detailed maps and written instructions on how to find us around the hospital.

If you have any additional questions about the MR Research Center, please refer to our website: https://mri.radiology.uiowa.edu

Or phone Joe Ekdahl at (319) 384-3026
